ABOUT ME

Eager student aspiring to become a software engineer and data scientist. Adept at leading technical teams and hosting live events, with a passion for blending creativity and technology. Proven ability to manage cross-functional projects and deliver results under tight deadlines.

WORK EXPERIENCE

SECRETARY & TECHNICAL HEAD

Legion of Lures, LSPU - Los Baños (2023-Current)

- Spearhead technical operations for events, including hosting livestream watch parties and managing live visuals/games for audiences of 100+ attendees.
- Serve as acting secretary: draft agendas, document meeting minutes, and streamline communication across departments.
- Train team members on event software and tools, improving workflow efficiency.
- Assist with website updates, social media, and IT Solutions for organizational efficiency.

MOONTON STUDENT AMBASSADOR

Moonton - School Initiative (2024-Current)

- Collaborate with peers to promote Moonton's gaming events on campus, increasing student participation.
- Assist in organizing tournaments and workshops, leveraging technical skills to troubleshoot livestream setups.

WORK IMMERSION / INTERN

Bureau of Plant Industry - Los Baños Center (2023)

- Conducted Quality Assurance for plantations and products, ensuring compliance with standards.
- Harvested plants and performed precise measurements (height, width, weight) and emasculatation techniques.

ROVER SCOUT

Los Baños Senior High School (2021-2023)

- Served as a Rover Scout in senior high school, trained as first aid respondents for school activities, and led the flag burning ceremony.
- Spearheaded disaster drill learning and execution, ensuring preparedness for emergencies.
- Organized school camping activities, meticulously planning games and logistics to ensure a memorable experience for all students.
